

Bankruptcy

A severe financial crisis can happen to anyone, at any time. Whether it stems from the loss of a job, mounting accounts receivables, the untimely death of a primary wage earner or unexpected medical expenses, the unpaid bills can multiply in a hurry. The harassing phone calls from creditors that follow can lead to stress, lack of sleep and an overwhelmingly difficult time in your life. At Lavelle Law, Ltd. our attorneys believe that in times of financial difficulty our clients have a right to high quality legal advice, affordable fees, and of equal importance, respect and understanding. We are committed to helping you get back on your feet while maintaining your dignity and securing the peace of mind that you desire.
