CAN AN OFFER IN COMPROMISE ELIMINATE YOUR DEBT?

If it's right for your situation, an Offer in Compromise can eliminate most of your IRS debt. Why? Believe it or not, the IRS prefers that you willingly pay what you can afford, even if it is less than you owe!

DON'T BE FOOLED

Did you know that many of the people you've received letters from aren't even in Illinois? **That's right.** You may only get a phone number and an address to send your check. Do you really want to trust your financial future to someone you'll never meet? **WE WOULDN'T!** That's why our firm only focuses on people in Northern Illinois. **We meet every one of our clients in person!**
