HEADS-UP, A SHERIFF MIGHT BE STOPPING BY YOUR PLACE OF BUSINESS!!

Have you just recently found out that a lawsuit has been filed against you or your business to collect a debt? You may have known this debt was pending, but it is important that you know whether a suit has been filed.

WE HANDLE COMMERCIAL LITIGATION IN THE LAW DIVISION OF THE COOK COUNTY COURTS EXCLUSIVELY.

We are not personal injury lawyers, or criminal lawyers. We are experts for all the other cases we handle! In fact, many sophisticated business people are engaged in business disputes over contractual matters all of the time. We have lawyers in court EVERY DAY litigating business issues!! These litigation professionals should be working for you!

WE LOVE COMMERCIAL DEFENSE CASES

What is the best defense? **A GREAT OFFENSE!** Tell us about your facts. Can we file a counter-claim? Let us counter-sue your plaintiff! I bet, after a full discussion on this matter, you could explain to me how the plaintiff on this case hurt your business, under performed on his or her services, failed to provide adequate notice of his or her intended actions, or caused some irreparable harm to your business. A simple defense may not be enough!

ACT NOW. FILE A COUNTER-CLAIM AND TAKE AN AGGRESSIVE, STRONG POSITION!!!

Weak, passive and compromising litigants lose in the Cook County Court system every day. You need to come out swinging, and have lawyers that will do the same on your behalf.

BEEN THERE, DONE THAT!

We have represented countless individual shareholders, partners, and business entities in shareholder disputes, equipment lease disputes, purchase order litigation (UCC issues), liquidation strategies, lease defaults, oppressive shareholder actions, and much more. You would not hire a general practice doctor to look at an injured knee from a tennis accident, would you? You would have a specialist! An orthopedic doctor! In fact, you would not just hire any orthopedic doctor. You would hire one that specializes in injuries to your knee.

Same with this case. Do not hire a general practice lawyer who does not know the difference between each of the law division judges, and how they rule on certain issues. Don't hire someone who needs experience. Hire an attorney who has experience.

DO NOT LET SOME GENERAL PRACTICE ATTORNEY PRACTICE ON YOU!

Many lawyers say that they practice commercial litigation, but do they really? Every day? Do they have a firm of *CPA's*, *MBA's*, and *LLM's* (all lawyers) backing them up for the "business angle" on critical decisions that arise during protracted litigation.

YOU NEED A LAWYER. LET'S NOT WASTE TIME!

The clock starts ticking once you get served, but why wait? Remember, it is easy to serve a business in Illinois. Let's get our defense lined up, and let's get our counter-claim drafted and be ready! That is what I like: a surprise attack. They think they will serve you and have you running for cover. **NO WAY!**

Let's have an answer prepared, counter claim prepared, and our affirmative defense prepared, and WHAM! File it the day we are served. SURPRISE! The message I like to send is, "We are not going to run from this case, *and you better be ready to lose!*"

That completely changes the dynamic of the case. Our goal is to put you in the driver's seat, if possible, for the best possible outcome.

LET'S FACE IT: NOT EVERY CASE IS EASY

Sometimes clients bring us facts that, while may be true, are hard to prove. In court, although getting to the truth is always the goal, it is what you can prove that matters. Therefore, we always keep you abreast of your case: the good news and the bad. You are constantly updated and are the lead player in the decision-making process about your case.

COMMUNICATION IS THE MOST IMPORTANT ELEMENT IN THE ATTORNEY/CLIENT RELATIONSHIP.

You will receive copies of all letters, court papers that are filed and emails regularly with our thoughts and impressions of the facts, litigants, and witnesses. You will always be in this loop, and you will always be able to reach us, your lawyers.
